Dear Mr. Bayne,

Thank you for your letter of June 26, 2001 and your many years of interest in my husband's work. His papers, as the University of Iowa Archivist, David McCartney, informed you, are now open for scholarly research.

If you need assistance beyond the staff of the Archivist's office, I would suggest that you contact Mr. William Heald, who not only cataloged the Bergmann Papers but also edited the manuscript which became the posthumous book later published by the University of Wisconsin Press under the title NEW Foundations of Ontology. You can reach Mr. Heald through the University of Iowa Philosophy Department. I have informed him of your eventual visit to Iowa City later this year.

I am periodically in and out of Iowa City but would be pleased to meet you at our mutual convenience.

Sincerely yours,

Leola Bergmann
